Message from the Mayor

13 years ago we set out to create a unique showcase for small sculptures.

The **Woollahra Small Sculpture Prize** is now an internationally recognised competition that is enjoyed by the arts community, local residents, school students and visitors from all over the world.

On their own these works are small in size. Collectively, they represent a much larger opportunity for us to host an exhibition that brings people together to celebrate some of the best contemporary art in the world.

Today you have the chance to view the amazing work of 43 finalists, selected by our judges Nick Mitzevich, Director of the Art Gallery of South Australia and Professor Ian Howard of the College of Fine Arts at the University of New South Wales. The judges have done a fine job of selecting a diverse collection.

I hope the finalists' work will delight you, intrigue you, challenge you and hopefully inspire you. If you have a favourite please cast your vote for the Viewers' Choice Award at the exhibition or online. If you have an even stronger connection to one of the works, remember they are for sale.

A lot of hard work from staff and volunteers teamed with excellent advice from art industry representatives and the support of our sponsors has helped the **Woollahra Small Sculpture Prize** to grow in prominence each year. I am so proud of our continued development of the **Woollahra Small Sculpture Prize**.

If you like what you see, please tell your family and friends. Free workshops, talks and activities for adults and children complement the exhibition. For more information and bookings, visit <http://sculptureprize.woollahra.nsw.gov.au>.

I hope you enjoy the exhibition.

Councillor Toni Zeltzer

Mayor of Woollahra
